

FY2022/7 2Q
Financial Results

March 2022

Visional, Inc.

Consolidated Financials

- The professional hiring market continued a strong rebound trend from COVID-19 and net sales for 2Q recorded JPY 10.09Bn. For 6 months ended January, net sales were JPY 19.67Bn (61.7% YoY growth)
- Active marketing investments for BizReach, and investments to other businesses led to 2Q operating profit of JPY 1.56Bn. Operating profit for 6 months ended January was JPY 4.10Bn (171.3% YoY growth)

BizReach

- The BizReach business has recorded double digit quarterly YoY growth for 4 consecutive quarters. Net sales for 2Q recoded JPY 8.63Bn (65.3% YoY growth). Net sales for 6 months ended January landed at JPY 16.90Bn (67.0% YoY growth)
- JPY 3.89Bn adjusted operating profit before corporate expense allocation for 2Q, with JPY 8.34Bn for 6 months ended January (99.1% YoY growth). As announced in 1Q, margins will decrease full year due to active marketing investments 2Q onwards

HRMOS

- JPY 1.42Bn ARR (26.1% YoY growth), 1,050 unique paying customers (23.7% YoY growth) as of 2Q end
- We will continue product development while aiming to increase customers through cross-selling to BizReach customers and through partner channels
- Completed acquisition of 80.1% shares of attendance management cloud provider “IEYASU” on November 1, 2021. Completed acquisition of 100% shares of expense management cloud provider “ezSoft” on March 1, 2022. Strategic acceleration of the development of HCM ecosystem by aligning the acquired services with HRMOS in the future. Impact of these M&A on consolidated results is negligible and is not included in this fiscal year HRMOS figures

Consolidated Financial Forecast

- As of now, no impact from Omicron variant observed. There are no changes to our full year FY2022/7 financial forecast of JPY 41.00Bn net sales (42.9% YoY growth)
- Investments for business growth will continue. Visional’s growth investments are higher in 2H and our full year FY 2022/7 financial forecast for operating profit of JPY 6.00Bn remains unchanged (153.3% YoY growth)
- Monitoring the market rebound trends from COVID-19, should there be any further changes, we will disclose in a timely manner

Consolidated net sales were driven by increased sales of BizReach on the back of the continued rebound of the professional hiring market. As marketing investments higher in 2H, on track towards JPY 6.0Bn full year consolidated operating profit forecast

2Q Financial Results by Business

BizReach Financial Results

JPY 8.63Bn for 2Q, JPY 16.90Bn for 6 months ended January (67.0% YoY growth). The rebound trend from COVID-19 continued this quarter and we are on track toward our full year forecast of JPY 35.30Bn

BizReach Business' Net Sales⁽¹⁾

JPY MM

■ 2Q actuals

- Professional hiring market continues to be active
- Marketing investments were actively made in 2Q, accelerating the acquisition of users and direct employers
- BizReach's mid-term growth rate continues to be 15% - 20% annual growth (normalized), however, business will grow stronger this year as the market rebounds from COVID-19

65.3% YoY growth for this quarter. Number of hires made on BizReach continues to be high

BizReach Quarterly Revenue Trend Comparison to same period previous year

BizReach Quarterly Net Sales Trend

- The number of job positions available on BizReach continues to trend at higher levels compared to pre pandemic. IT and manufacturing companies are particularly active
- Increased number of job seekers and increased direct employers' activities on the platform, as well as increased matching capability leading to increased hires made
- We forecast a growth of 49.8% for the full year. Growth rate will slow down given the growth path from 2Q FY21/7
- 3Q is anticipated to be the biggest quarter for BizReach
- As of now, no impact from Omicron variant observed

Active investments including TV commercials made in 2Q targeting seasonality of the hiring market. Active marketing investments will continue with an aim to increase users and user companies and accordingly, margins will trend down for the full year

Visional Group Strategy and Our Future

Persistent Creation of New Possibilities.

Our vision is to tap into the power of the internet to support the innovative progress of our world by persistently transforming social obstacles into new possibilities.

Our mission is to achieve “continuous contribution to impact the world.”

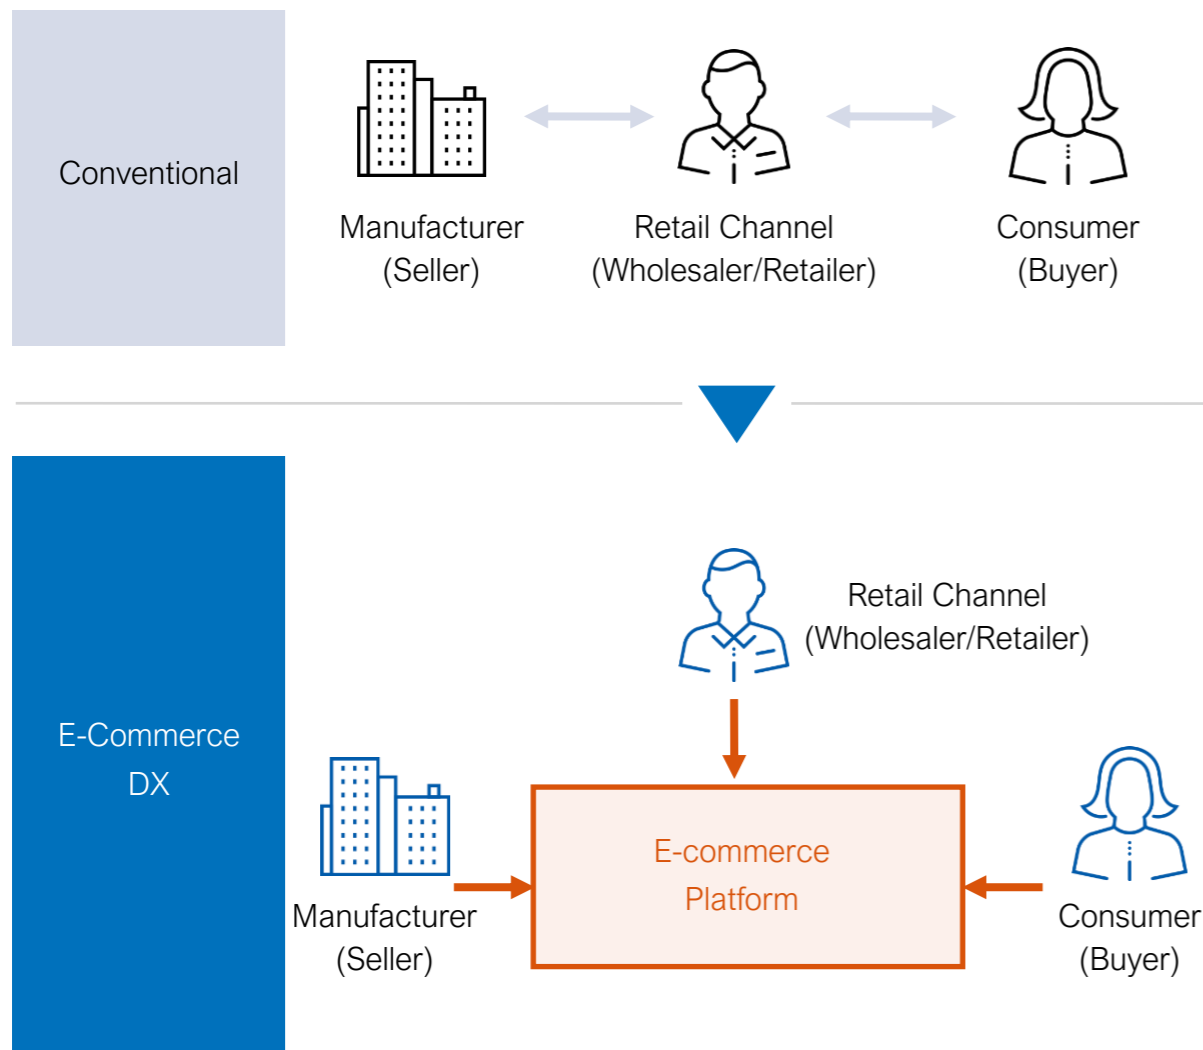

With these ambitions, we aspire together as partners to create unique ecosystems and movements that accelerate the world to a tomorrow in which we desire to be

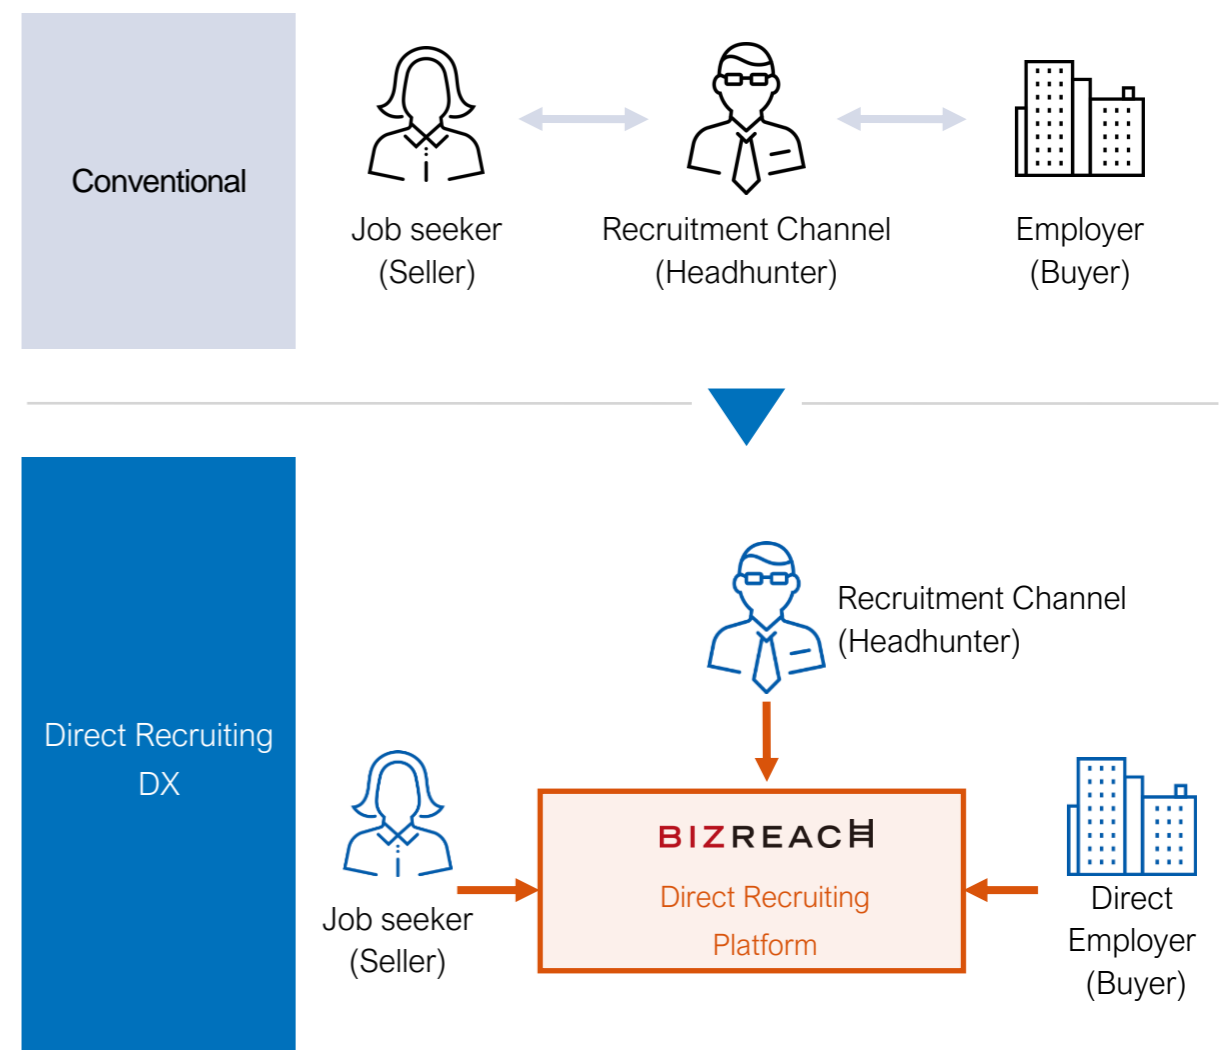

**Supporting new possibilities for
Manpower, Goods and Capital**

Similar to the structural transformation of the retail market caused by e-commerce, BizReach pioneered the concept of “Direct Recruiting” by creating an online career networking platform, which raised the transparency and efficiency of the professional recruitment market in Japan

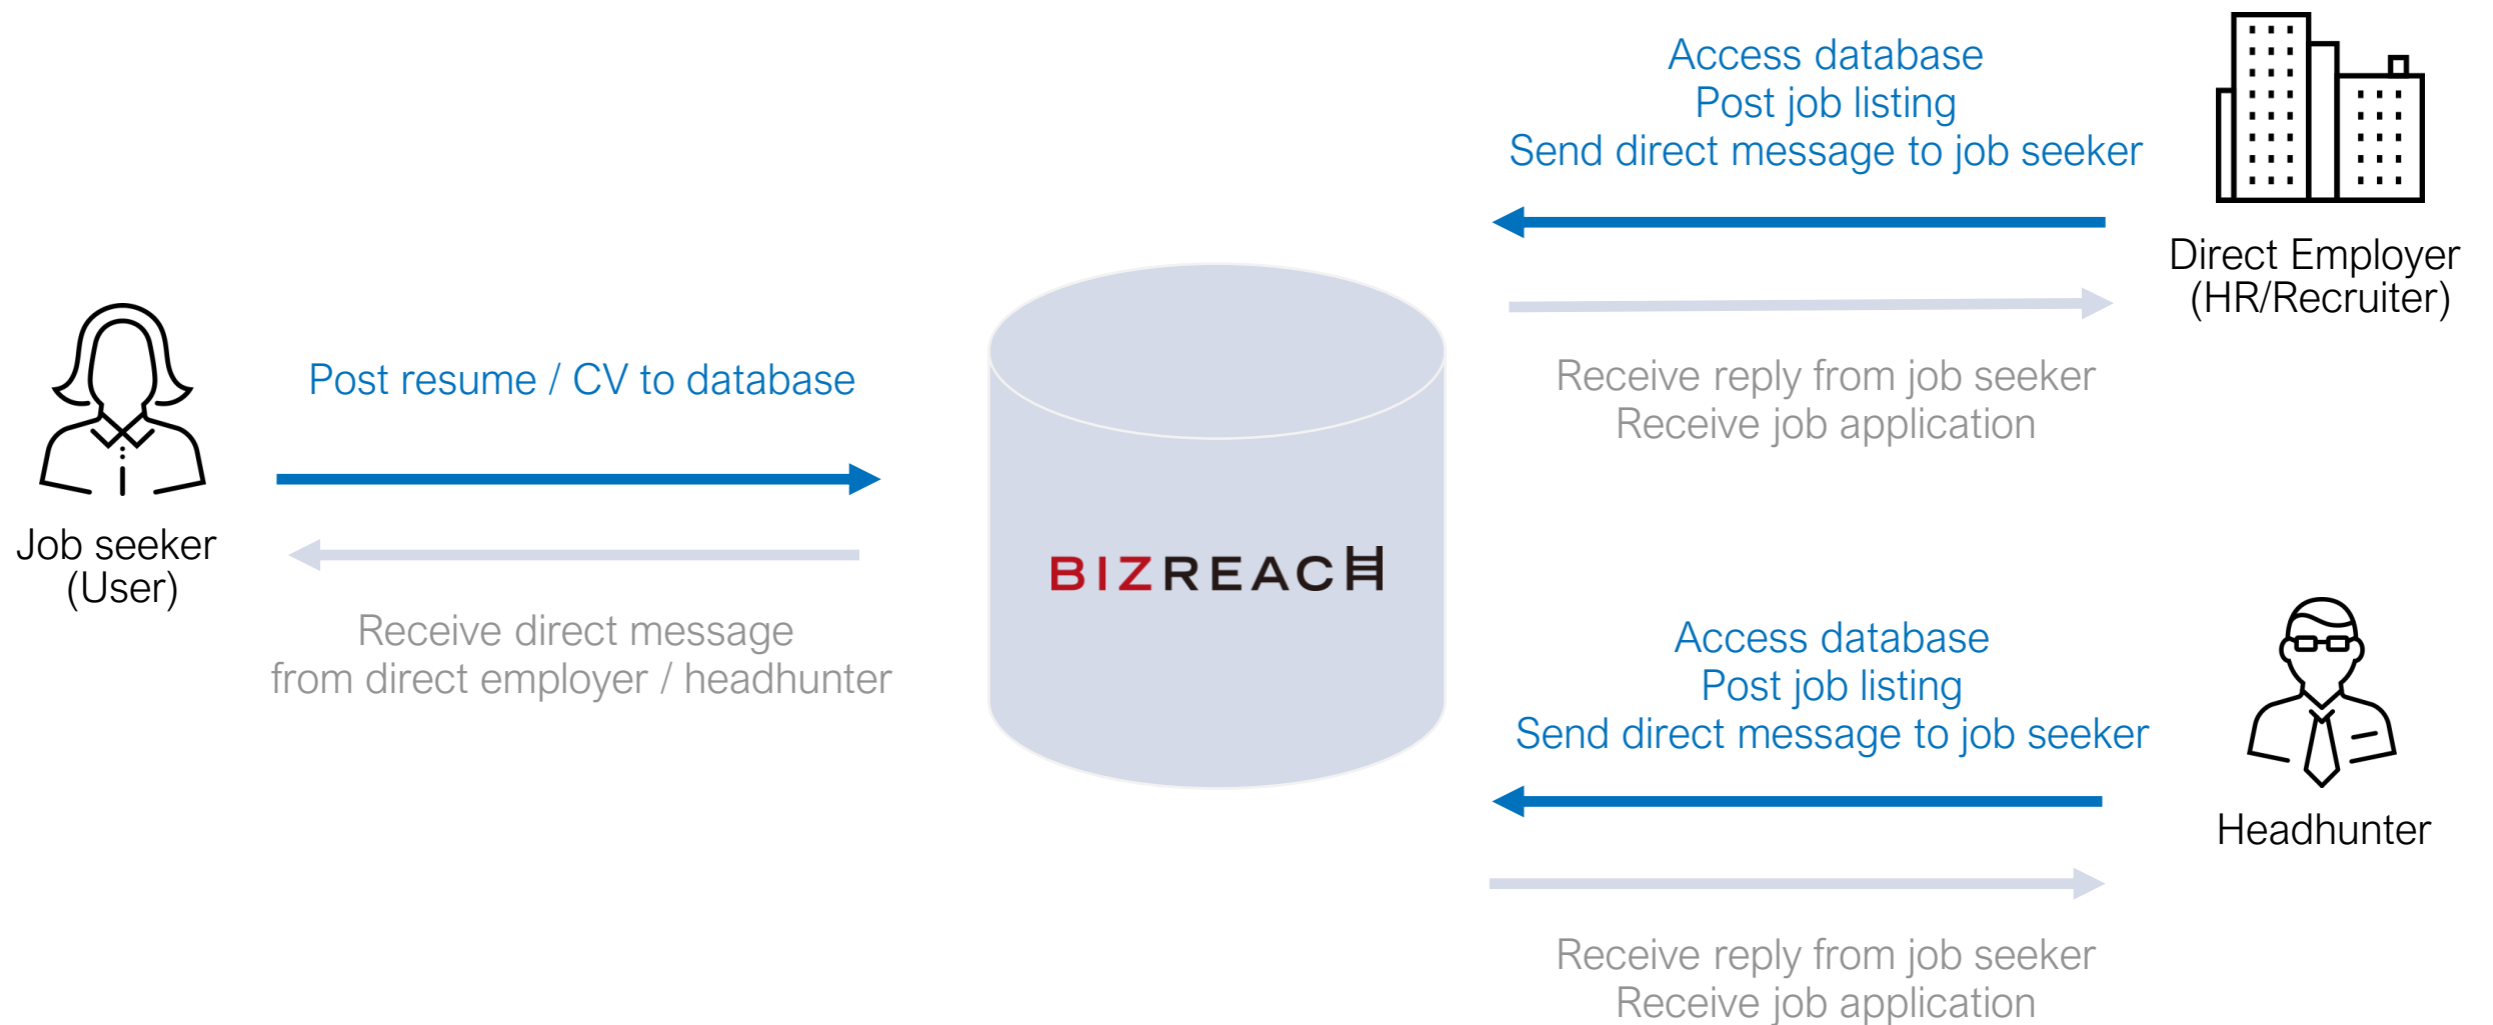

DX of Retail Market

DX of Professional Recruitment Market

The financially attractive and unique business model targeting professional job seekers⁽¹⁾ is the foundation behind the scalability of BizReach

Note: (1) Including executives and mid to senior level employees

Japanese recruitment market is undergoing a structural stage of expansion due to the ongoing changes in workstyle, which will increase liquidity in the Japanese labor market going forward

Significant Room for Job Mobility in Japan

2020

Acceleration of Workstyle Shifts in Japan

- ✓ Conventional workstyle no longer sustainable due to a mismatch of corporation and worker life spans
- ✓ Performance-based workstyle with clear job descriptions accelerates the job change movement
- ✓ “Direct Recruiting” becomes essential for employers as the war for talent accelerates
- ✓ The shift to remote work caused by COVID-19 is expected to further drive this movement

Building on the proven set of principles and approaches that enabled our prior successes, we will continue to evaluate all potential areas of growth that will emerge from seismic shifts and technological innovation in Japan

Guidelines for deciding on a market and a business model

- ✓ Potential for dynamic growth emerging from structural shifts and technological innovation in Japan
- ✓ Obvious need for digital transformation (DX) in the industry
- ✓ Large total addressable market (TAM)
- ✓ Clear trend and benchmark in overseas markets
- ✓ Existence of established competitors with significant profitability

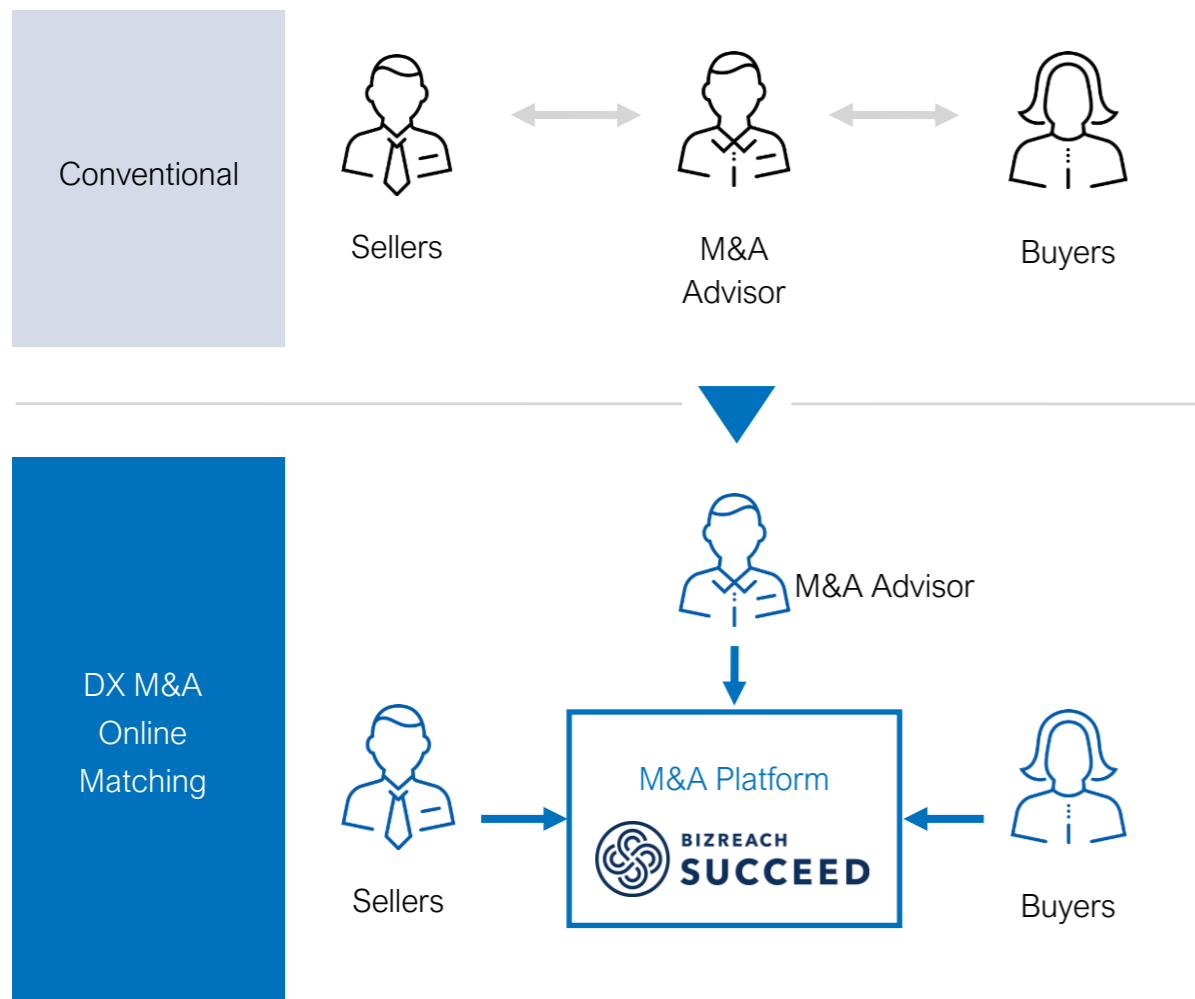

MVP⁽¹⁾ and lean startup organization

- ✓ Start with a small team
- ✓ Incubate businesses for 2-3 years in “Build-Measure-Learn” feedback cycle to check business models and pivot if necessary
- ✓ Invest further when the business model is prepared to scale

BizReach SUCCEED:

Similar to BizReach, developed an online M&A platform that enables direct communication between parties. Increase liquidity in the M&A market to enhance productivity in Japan

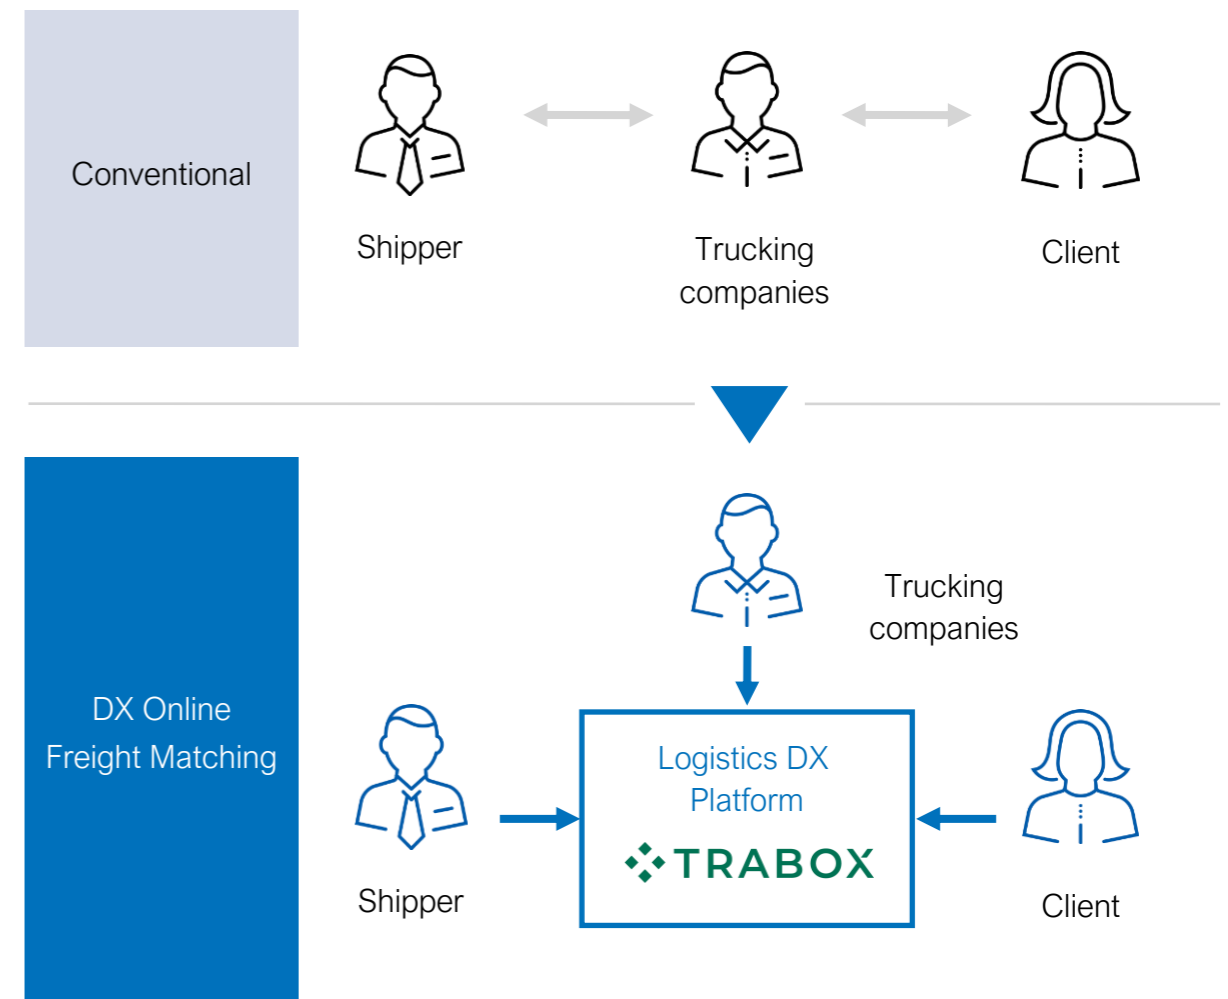

DX in M&A Industry

Trabox:

Fully acquired one of the largest freight matching platforms (load board) in Japan (November 2019). Plan to enter into a cloud-based TMS (Transport Management System) to accelerate DX in logistics industry

DX of Logistics Industry

Persistent Creation of New Possibilities.

**We will tap into the power of the internet to support the digital transformation of the Japanese economy.
We will continue to maximize mid-to-long term enterprise value by persistently transforming social obstacles into new possibilities.**

Commitment towards our group mission

- ✔ Sustained growth and profit expansion of the BizReach business
- ✔ Seamless integration of BizReach and HRMOS to build a data-driven HCM ecosystem
- ✔ Continue to incubate businesses to drive sustainable long-term growth

Notes: (1) Based on FY20 financials prepared by Visional, Inc. continued from the financials of BizReach, Inc. Visional, Inc. was established through a share transfer, and BizReach, Inc. became a wholly-owned subsidiary of Visional, Inc. in February 2020 (All FYs ending in July and prepared in accordance with J-GAAP) (2) Financial data of the BizReach Business, the core service of our group (which differs from the financial data of our subsidiary BizReach, Inc.) (3) Calculated as revenue of each business minus cost of sales and selling, general and administrative expenses which are directly allocated to each business (4) These expenses comprise corporate and general administrative expenses that we have not directly allocated to individual businesses for our internal management purposes (5) Adding headcount calculated back to those who belong to each business, based on man-hours equivalent to labor costs, which is directly allocated to each such business and included in the relevant adjusted operating profit before corporate expense allocation

Visional Group has worked together on contracted assignments (with the Ministry of Economy, Trade and Industry (METI) to help with hiring in Fukushima Prefecture to support areas affected by the Great Eastern Earthquake etc.). As 2021 marks 10 years from the earthquake, we have completed the assignment
